D. E. O'KEEFE.....EDITOR AND PROPRIETOR

REPUBLICAN TICKET.

FOR PRESIDENT
THEODORE ROOSEVELT
of New York.

FOR VICE-PRESIDENT
C. W. FAIRBANKS
of Indiana.

For Congress—Fifth District:
E. A. HAYES.
For Joint Senator:
S. H. RAMBO.
For Assemblyman:
R. H. JURY.
For Supervisors—
First District—Julius Eikerenkotter.
Third District—John MacBain.
Fourth District—Antone Joseph.

The country is as strong against free trade as free silver.

The Republicans welcome issues. The Democrats dodge them.

R. H. Jury's election to the Assembly is conceded on all sides.

The Fourth Township will vote for a first-class man — Antone Joseph.

Some enthusiastic friends of Julius Eikerenkotter place his majority at 150.

John MacBain will make a good, wise and faithful Supervisor and should receive the support of every voter.

John MacBain is meeting with success everywhere in the canvass of the district. He is a sure winner.

News comes from the Coast that Antone Joseph is in the lead in the race for Supervisor of the Fourth Township.

Republicans have no hesitancy in promising that the Filipinos will gain their independence when they deserve it.

E. A. Hayes is making a winning fight for Congress. He is sure to represent the Fifth District in the next Congress.

S. H. Rambo made a good Supervisor of Santa Cruz County and he will make a good Joint Senator. Vote for him.

John MacBain will make a capable, sensible and progressive man on the Board of Supervisors and voters of this township are going to elect him.

Julius Eikerenkotter has made the best Supervisor the First Township has ever had and the votes of that township will retain him in office.

R. H. Jury, the Republican nominee for the Assembly, is able, honest, intelligent and popular. His election is simply a question of how much his majority will be.

San Mateo County never had a better ticket than the present Republican county ticket. The candidates are all first-class gentlemen. No risk can be taken in voting the ticket straight.

To be logical, the people who object to our protection against foreign aggression ought to leave their doors unlocked every night, and protest against having any policeman in cities.

JULIUS EIKERENKOTTER.

Julius Eikerenkotter, Republican nominee for Supervisor of the First Township, is no stranger to the people of San Mateo County. He has resided in the county all his life. He is probably one of the best known men in his township. He is a man of fine ability and sound judgment, and his experience in road building make him a first-class Supervisor. There has been more permanent improvements made in his district during his term of office than has been made for ten years previous. The people of the First Township should retain him in office. He can accomplish more for his district than any other man.

E. A. HAYES IS THE MAN.

It is now conceded that Roosevelt will be re-elected next November and that present conditions will continue. There is a strong drift in that direction daily growing stronger. Conservative Democrats everywhere are conceding this fact. The New York Herald while supporting Parker concedes, after a careful canvass, that his election is hopeless. Betting odds are steadily growing toward Roosevelt with but few Parker takers. All know too that betting men have accurate ways of learning the situation and do not bet foolishly.

All this being true and acting upon true and living facts, how wise, how important that this district, this State, the Pacific Coast, be one of and with the ruling powers. The Republican administration with a Republican Congress will shape our affairs for four years to come. Let us be with it. It is certainly true that six of eight Congressmen will be Republicans. With Hayes and Kahn, California will have a solid delegation. What a power California would be then. The Pacific Coast wants a great deal in years to come. Oregon already has two Republican Congressmen. Washington will elect two Republicans by large majorities. If California elects eight Republicans there will be a solid Republican Pacific Coast delegation, six Republican Senators, twelve Republican Congressmen, eighteen solid supporters of the controling administration. What might we then ask and expect. What an insignificant, puny, helpless, situation would this magnificent district occupy if the Pacific Coast sent to Washington seventeen Republicans and one little Democrat. What position would we occupy?

Do we want extended naval mail service. It will come through Hayes. Do wo want improved agricultural improvement. Hayes can secure it. Do we want public improvements. Hayes' party will surely make them. Do we want any appointments in this district. President Roosevelt, Hayes' friend will surely make them. Why should not this great district share in the progress and prosperity coming. We can if we vote right.

Our esteemed Democratic contemporaries are urging the re-election of their candidate as deserving a re-election for his past excellent services. He is an estimable man, but may we ask what are those excellent services. On what committee did he serve? What place did he occupy on said committees? When and for what purposes was his voice raised in the House? What public service did he perform? Was not his principal service done when he drew his salary? Could a new minority man have done beetter. Surely his re-election will not best serve the district. Mr. Hayes' election will.

R. H. JURY.

R. H. Jury, nominee for the Assembly, is a young man of energy, ability, and brains, and if elected will do his full duty at Sacramento. If elected and he surely will be he will uphold the honor of the county in the coming Legislature and secure whatever legislation the people want. He should have the full support of every Republican.

JOHN MacBAIN.

If character and reputation and good business capacity are entitled to admiration and respect, both these flattering substantives are are applicable to John MacBain, Republican nominee for Supervisor in the Third Township. The office to which he shall be elected will find him a man of business direction, wide experience of the county's needs and a conscientious regard for the people's best interest.

ANTONE JOSEPH.

For Supervisor of the Fourth Township we have Antone Joseph, the Republican nominee. He is a young man that deserves well at the hands of the electors of that district. Mr. Joseph is a popular and respected citizen, a man widely and well known, public-spirited, of thorough practical business capacity, having a full knowledge of his district's needs, with a strong moral courage of his convictions. He has a host of friends where he has lived since childhood who will elect him by a rousing vote.

S. H. RAMBO.

S. H. Rambo is a man of ideas, lofty aspiration, and one possessed of an instinctive desire to aid his fellow-man. Where he is known he is spoken of in the highest terms. If elected Joint Senator he will do his full duty without fear or favor. Mr. Rambo is a man of affairs, of standing and ability and one whom the Republicans of the district can support with enthusiasm.

Opening of the Quail Season.

The quail hunters are having fine sport as the weather is fine. As the rains have put the ground in fine condition the birds work better and go to cover quicker instead of scattering and running, as is the case when the birds are young and the weather is dry and hot.

The increase of quail this season varies as to locality. Last October was the poorest quail season for many years. From all reliable sources the quail have increased over last season from 10 to 50 per cent, according to locality.

Many of the sportsmen are going after ducks instead of quail, as they claim that the former will leave sooner and the latter may be had later on.

It was shown that out of 105 saloons in the county there are 65 located in the First township. The new sections of Ordinance 194 are as follows:

SECTION XI.

A permit under this Ordinance shall be good only for the person, persons, firm or corporation and particular place and business specified in said permit and which permit shall be good for one year and no longer. If the person, firm or corporation to whom a permit has been granted desires to change the place of business mentioned in such permit, application must be made to the Board of Supervisors at least five (5) days before the meeting thereof, by filing a written application with the County Clerk of said County, and said Board may, after good cause shown, by resolution, permit the place of business to be changed.

SECTION XII.

The total number of permits issued under this Ordinance to be in force at ond time, is hereby limited to one hundred and five (105) and no greater number of permits than one hundred and five (105) to be in force at one time, shall be granted or issued under this Ordinance.

to be in force at one time, shall be granted or issued under this Ordinance.

SECTION XIII.

Any person, persons, firm or corporation to whom a permit has been granted and a license issued under the terms of this Ordinance, who violates any of the provisions of subdivision three of Section Seven of this Ordinance and who shall not obey and abide by all the laws and ordinances now in force or which may hereafter be enacted, regulating places of business where spirituous, malt or fermented liquors or wines or any admixture thereof is sold, given away or furnished, shall forfeit all permits and licenses theretofore granted or issued to said person, persons, firm or corporation under the provisions of this Ordinance, and shall also forfeit to said County of San Mateo, the full amount of the bond required to be given to said County pursuant to the terms of Section Seven of this Ordinance, or such sum, part of the whole penal sum of said bond not less than $250 as may be determined by the Board of Supervisors of said County, pursuant to the terms of Section Seven of this Ordinance.

SECTION XIV.

It shall be the duty of the Tax Collector of said County to file with the County Clerk of said County of San Mateo, a complaint against any person, firm or corporation who, he has reason to believe, is guilty of any of the acts or neglects specified in Section Thirteen of this Ordinance or of any violation of any of the provisions of this Ordinance. Such complaint may, however, be made by any resident or citizen of said County. Upon such a complaint being filed with said County Clerk, it shall be his duty to immediately prepare and forward by mail to said person, firm or corporation, a copy of said complaint, the same being addressed to such person, firm or corporation at the postoffice specified in the application filed by the person, persons, firm or corporation against whom the complaint is made and filed.

The Board of Supervisors shall, if possible, investigate said complaint at the next regular meeting of said Board after the filing of said complaint, and not later than the second regular meeting of said Board subsequent to the filing of said complaint. If upon such investigation the said Board, or a majority of the members thereof shall find that the said complaint is well founded and the charge therein made is true, it shall be so declared by a resolution of said Board, and the said Board shall also, by the same resolution revoke the permit theretofore granted to said person, persons, firm or corporation and revoke all licenses theretofore issued to said person, persons, firm or corporation under the terms of this Ordinance, and said license shall thenceforth be without force or effect, and the said Board shall also, by the same resolution, declare the bond required by and given under the provisions of Section Seven of this Ordinance, wholly forfeited, or such sum or amount part of the whole penal sum of said bond, not less than $250, forfeited to said County as, in the discretion of said Board shall seem just in the premises, and shall direct the District Attorney of said County to at once commence suit on said bond in the name of said County, to recover the amount so declared forfeited to said County, and in any action instituted and prosecuted upon said bond, the adoption of the resolution mentioned in this Section shall be deemed and taken as conclusive evidence of the truth of the facts therein set forth.

SECTION XV.

The rate of license under this Ordinance shall be as follows, to-wit:

For every person, firm or corparation engaged in the business of selling or giving away or in any manner furnishing in any saloon, bar, store, dram-shop, tippling-place, house, room, stand or in any other place of business within the County of San Mateo, State of California, and for every person, firm or corporation who sells or offers to sell, or keeps for the purpose of sale, within the said County of San Mateo, State of California, any spiritous, malt or fermented liquor or wine or any admixture thereof, $120 per year.

Good Bill at the Majestic.

The Majestic Theatre, San Francisco, for the week commencing Monday, October 4th, offers Nat Goodwin and Maxine Eliott's famous comedy success by Henry V. Esmond, "When We Were Twenty-one." The cast presenting the attraction will be an exceptional one made up as it is of the combined strength of both the Majestic Theater Company favorites and the popular artists in the original Oliver Morosco Company which had such a phenomenally successful engagement at the California Theater during last season.

Among the favorites in Morosco's original organization who will hereafter figure on the Majestic Theater stage are Misses Amelia Gardner, Elsie Esmond, George Woodward, Harry Mesteyer, Frank MacVicars and others. Those of the Majestic Theater who have been retained are J. H. Gilmour, Henry Stockbridge, Eleanor Gordon, Margaret Maclyn, J. D. O'Hara, Joseph Callahan and Linda Arvidson.

These constituted the consolidated Majestic Theater Company and will form the most complete and highest class stock organization on the continent.

ALL AROUND THE COUNTY

Events of the Week as Recorded by a Corps of Special Correspondents.

Quail Are Plentiful Around Pescadero—Grand Candidates' Ball at Woodside.

PESCADERO, October 21 — Sportsmen are out in numbers hunting quail and are bagging a good many as they are quite plentiful this year.

James Hamilton has rented the Sousa place near Chandler's, and will move his family from the Butano Mills into their new home the first of the month.

Mrs. E. Garretson and daughter Lettie, formerly of this place but now of Alameda, are guests of Mrs. B. V. Weeks for a week.

David Jackson of Sunnyside has returned home after spending several weeks among friends and relatives in Indiana and Iowa, and the St. Louis Fair. California is good enough for him to live in, although he enjoyed his trip immensely.

Mr. and Mrs. George Swett of San Francisco are guests of J. C. Williamson.

Mrs. E. D. Henion of Arcata after spending a month among friends and relatives in the county left for her home last Tuesday.

Pescadero wants to be a peace loving community, and it is too bad that such an element that defies peace and order should be tolerated for one hour. Trouble has been brewing for some time among some laboring men here, aggravated by bad whisky, and it is not the fault of the man with the gun that a terrible tragedy was not committed here last Sunday morning. As it is, one man will probably lose his eyesight, and the aggressor, put in jail for the shocking deed. This "running-a-muck" in a public place and endangering the lives of many of its guests and abusing property should be stamped out by vigorous measures. It is to be hoped that full justice will be done to the party who did the wild shooting.

Men who are engaged in the liquor dealing traffic are complaining of the drunks laying about town. Who is responsible, the man who drinks or the one who puts temptation in his way.

WOODSIDE CHIPS.

WOODSIDE, October 21.—Mass will be celebrated hereafter at 10 o'clock except on the first Sunday of the month when it will be celebrated at 9 o'clock.

Wake up and bring your best girl to the Candidates' Ball here Saturday evening, October 22nd. From all reports around the county there will be hardly standing room in the hall.

John MacBain is thinking seriously of moving to Woodside, as he has discovered that he has many political friends here.

The families of J. A. Folger and C. K. McIntosh have departed for their city homes for the winter.

Joseph A'Hearn came down from the city Sunday and spent the day visiting friends here and in Menlo.

Miss Mary Doyle has moved back to her old home, having reserved the upper story for herself.

SAN CARLOS ITEMS.

SAN CARLOS, October 21—Henry Arndt, the popular station agent at San Carlos, has gone east for a month's vacation and while there will visit the World's Fair.

Mrs. T. G. Phelps of San Carlos has gone to San Francisco for the winter. The Schroeders also of San Carlos have taken up their residence in the city for the winter season.

The Doane place that was recently purchased by Gaptian N. T. Smith is undergoing repairs.

Wants Orthography Corrected.

Domenico Zaro of Colma has begun suit in the Superior Court to secure a writ of mandate compelling County Recorder Johnston to make a correction in a document on file in the courthouse, in which his name is misspelled. Mr. Johnston doubts his authority to make the change and is awaiting action by the Court. In November, 1884, while the late James W. Bicknell was Clerk and Recorder, a deed was presented for record by which William and Carrie Coleman transferred to Domenico Zaro a tract of land in the First township. In recording the document the clerk spelled Zaro's name "Zudo." He desires the correction to be made and has brought suit with that end in view. The suit is a friendly one.

Thursday Judge Buck heard the case and immediately gave judgment to the plaintiff, permitting him to have the change made by Recorder J.F. Johnston.

State and Coast Counties History.

The agent for the Chapman Publishing Company of Chicago distributed in this city during the week "The History of California and Biographical Record of Coast Counties." It is a handsomely bound book, showing the historical story of the State's marvelous growth from its earliest settlement to the present time. It contains biographical sketches of many of the old residents of the county. The book is useful in every home.

A SCOTTISH BRIDE.

Adam Little, nephew of Robert Brown, who has been residing on Mr. Brown's ranch near Woodside for the past year, went to San Francisco Saturday and met Miss Jeannie Kirkland who had come all the way from Scotland to be his bride. Mr. Little and Miss Kirkland both lived in the town of Dunoon, which is just south of Glasgow, until a year ago when ill health prompted Mr. Little to come to California. Since coming here he has regained his strength. The young couple were married Saturday by a San Francisco clergyman and after having spent a few days in the metropolis they returned to Woodside Wednesday. Mr. Little has the best wishes of his many friends for a long and happy married life.

SCHUBERT-BRUNS.

Charles E. Schubert, son of Mr. and Mrs. E. W. Schubert of Halfmoon Bay, and Miss Emma D. Bruns of San Francisco, were united in marriage Wednesday in the city. Mr. Schubert is well known all over the county and is an exemplary young man. For the past few years he has resided in San Francisco, where he has two fine cigar stores. Mrs. Schubert is well known in Halfmoon Bay, where she has visited many times. After a wedding trip the young couple will reside in San Francisco.

NIXON-ADAMS.

Last Wednesday W. J. Nixon of San Francisco was united in marriage by Rev. A. E. Ulrich to Miss S. R. Adams of Colma.

ELECTRIC ROAD EXTENSION.

Possibility of an Electric Road Between San Mateo and San Jose.

From all indications it will not be many months before the long-looked for electric line between San Mateo and San Jose will be a reality. A. O. Hale, and his associates, of the interburban line have already asked for a franchise from Santa Clara to the San Mateo county line which will without doubt be granted. Synchronously eastern capital has been obtained, and a franchise will be applied for to extend the road from San Mateo to the southern county line to connect with the proposed extension of the Santa Clara system. A. F. De Forrest, Pacific Coast Manager of the American Steel and Wire Company and W. F. Hanrahan, a San Francisco contractor, are at the head of the project, and have been engaged for some weeks past, in securing rights of way.

The new line will pass through Belmont, Redwood City, Menlo Park, and all of the other towns between here and San Jose. It is to be hoped that the movement will be carried to a successful fulfillment as property along the route would, without doubt, raise in value because of the railway, just as property along the route of the San Mateo Electric line has advanced.

The officials of the United Railroads deny any connection with the project and as yet it is not known whether or not any of the big railway companies are behind the scheme.

The stock was driven back by the latter in order to preserve his lien. The case was set for Wednesday before Judge Van Buren of Mayfield. Pitcher was represented by J. T. The Menlo Park Horticultural Society shone in all its glory last night, when the flower show under its auspices was inaugurated. A mammoth tent 50x100 is pitched in the Johnston field opposite the Cadet Armory. It is brilliantly lighted with arc lights, the beautiful rays of which ar reflected by the hundreds of choice blooms and blossoms. A vast throng viewed the grand display last evening and it was the general opinion that the exhibition of flowers and plants was the best ever seen in the state. There is exhibited the rarest novelties in carnations, chrysanthemums, dahlias, while ferns and exotics are displayed in endless varities. The principal exhibitors are J. B. Coryell, C.W. Smith, M. Lynch, Sydney Clack, Mr. Weir, Timothy Hopkins, Frank Mills, S. E. Slade, Geo. Pope, Burlingame, Mr. Meyers, Burlingame, Frick & Faber, San Mateo, Gertzhain Bros., Redwood City. A large attendance will see the rare display this evening. A splendid orchestra that renders sweet music lends its charm to the scene.

Since the announcement has been made that the Southern Pacific Company intends to operate a ferry system across the bay at Ravenswood to connect with a new line of railroad extending to Niles on one side and to San Mateo on the other, there is no doubt of the fact that a town of no small proportions will spring up at that point. Although it is not generally known, in early days Ravenswood gave promise of becoming one of the principal towns of this county. It started in life with every prospect of success, and during the period when the question of the western terminus of the Central Pacific Railroad was raising the hopes of so many towns, Ravenswood was threatened with being the western terminus of a railroad bridge across the bay of San Francisco. Had this event occurred Ravenswood to-day, instead of being a duplicate of Goldsmith's "Deserted Village" would have been a second Oakland. In 1853, when much attention was being directed to the lumber interests of this county, and mills were being erected at several places to handle the immense output of our forests, it was evident that some point on the bay would attain importance as a lumber shipping town. With that idea in view I. C. Woods, Hackett & Judah and William Rowe, in 1853, purchased a large tract of land and platted the town of Ravenswood. An extensive and costly wharf was built to deep water; lots were sold and houses erected; a store was opened by William Paul, and quite a good deal of activity was displayed there. But the town not proving available as a lumber shipping point, soon subsided. The town has since been used for farming purposes. The long wharf, built in the early days, was unused and succumbed to decay, but a landing of smaller proportions has since been maintained.

SAN FRANCISCO SEAWALL ACT.

CHAPTER CCXI.

An act to provide for the issuance and sale of State Bonds to create a fund for the construction by the Board of State Harbor Commissioners of a seawall and appurtenances in the City and County of San Francisco; to create a sinking fund for the payment of said bonds; and providing for the submission of this act to a vote of the people.

(Approved March 20, 1903.)

The people of the State of California, represented in Senate and Assembly, do enact as follows:

Section 1. For the purpose of providing a fund for the payment of the indebtedness hereby authorized to be incurred by the board of state harbor commissioners for the erection of a seawall and appurtenances in the City and County of San Francisco, at a cost not to exceed two million dollars (which said seawall and appurtenances the board of state harbor commissioners are hereby empowered to construct in the manner authorized by law, and at a cost not to exceed said two million dollars), the state treasurer shall, immediately after the issuance of the proclamation of the governor, provided for in section ten hereof, prepare two thousand suitable bonds of the state of California, in the denomination of one thousand dollars each. The whole issue of said bonds shall not exceed the sum of two million dollars, and said bonds shall bear interest at the rate of four per centum per annum, from the time of the sale thereof, and both principal and interest shall be payable in gold coin of the present standard of value, and they shall be payable at the office of the state treasurer, at the expiration of nineteen years from their date, subject, however, to redemption by lot as in this act hereinafter provided. Said bonds shall bear date, the second day of January, A. D. nineteen hundred and five, and shall be made payable on the second day of January, nineteen hundred and twenty-four A. D. The interest accruing on such of said bonds as are sold, shall be due and payable at the office of the said state treasurer on the second day of January, and on the second day of July, of each year after the sale of the same; provided, that the first payment of interest shall be made on the second day of January, A. D. nineteen hundred and six, on so many of said bonds as may have been theretofore sold. At the expiration of nineteen years from the date of said bonds, all bonds sold shall cease to bear interest, and, likewise, all bonds redeemed by lot shall cease to bear interest as in this act provided, and the said state treasurer shall call in, forthwith pay, and cancel the same, out of the moneys in the San Francisco Seawall sinking fund provided for in this act, and he shall, on the first Monday of January, nineteen hundred and twenty-four, also cancel and destroy all bonds not theretofore sold. All bonds issued shall be signed by the governor, and countersigned by the controller, and shall be endorsed by the state treasurer, and each shall have the seal of the state stamped thereon. Each bond shall contain a clause that it is subject to redemption by lot after the year 1914.

Sec. 2. Interest coupons shall be attached to each of said bonds, so that such coupons may be removed without injury to or mutilation of the bond. Said coupons shall be consecutively numbered, and shall be signed by the state treasurer. But no interest on any of said bonds shall be paid for any time which may intervene between the date of any of said bonds and the issue and sale thereof to a purchaser.

Sec. 3. The sum of one thousand dollars is hereby appropriated to pay the expense that may be incurred by the state treasurer in having said bonds prepared. Said amount shall be paid out of the San Francisco harbor improvement fund on controller's warrants duly drawn for that purpose.

Sec. 4. When the bonds authorized to be issued under this act shall be duly executed, they shall be by the state treasurer sold at public auction to the highest bidder for cash, in such parcels and numbers as said treasurer shall be directed by the governor of the state, under the seal thereof, after a resolution requesting such sale shall have been adopted by the board of state harbor commissioners; but said treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered, and he may, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, to such time and place as he may select. Due notice of the time and place of sale of all bonds must be given by said treasurer by publication in two newspapers published in the city and county of San Francisco, and also by publication in one newspaper published in the city of Oakland, and by publication in one newspaper published in the city of Los Angeles, and by publication in one newspaper published in the city of Sacramento, once a week during four weeks prior to such sale. The costs of such publication shall be paid out of the San Francisco harbor improvement fund, on controller's warrants duly drawn for that purpose. The proceeds of the sale of such bonds shall be forthwith paid over by said treasurer into the treasury, and must be by him kept in a separate fund, to be known and designated as the "San Francisco Seawall Fund" and must be used exclusively for the construction of seawalls and appurtenances thereto on the water front of the city and county of San Francisco. Drafts and warrants upon said fund shall be drawn upon and shall be paid out of said fund in the same manner as drafts and warrants are drawn upon and paid out of the San Francisco harbor improvement fund.

Sec. 5. For the payment of the principal and interest of said bonds a sinking fund, to be known and designated as the "San Francisco Seawall Sinking Fund" shall be and the same is hereby created, as follows: The state treasurer shall, on the first day of each and every month after the sale of said bonds, take from the San Francisco harbor improvement fund such sum as, multiplied by the time the bonds then sold and outstanding have to run, will equal the principal of the bonds sold and outstanding at the time said treasurer shall so take said sum from said San Francisco harbor improvement fund, less the amount theretofore taken therefrom for said purpose; and he shall place the sum in the San Francisco seawall sinking fund created by this act. Said state treasurer shall, on controller's warrants duly drawn for that purpose, employ the moneys in said sinking fund in the purchase of bonds of the United States, or of the state or California, or of the several counties or municipalities of the state of California, which said bonds shall be kept in a proper receptacle, appropriately labeled; but he must keep always on hand a sufficient amount of money in said sinking fund with which to pay the interest on such of the state bonds herein provided to be issued as may have theretofore been sold. And to provide means for the payment of interest on the bonds that may be sold and outstanding, said treasurer shall monthly take from the San Francisco harbor improvement fund, and pay into said seawall sinking fund, an amount equal to the monthly interest then due on all bonds then sold, delivered and outstanding. The board of state harbor commissioners are hereby authorized and directed by the collection of dockage, tolls, rents, wharfage and cranage, to collect a sum of money sufficient for the purposes of this act, over and above the amount limited by section two thousand five hundred and twenty-six of the Political Code of the state of California. Between the first and the tenth day of November, in the year nineteen hundred and fourteen, and between the first and the tenth day of November of each year thereafter until the maturity of said bonds, the said treasurer shall, in the presence of the governor, proceed to draw by lots such an amount of bonds as shall be requisite to exhaust as nearly as may be the amount in said sinking fund at that time, and shall thereupon and before the tenth day of December following, give notice by public advertisement to be inserted twice a week for two weeks in two newspapers published in the city and county of San Francisco, and also in one newspaper published in the city of Oakland, and also in one newspaper published in the city of Los Angeles, and also in one newspaper published in the city of Sacramento, stating the number of bonds so drawn and that the principal of said bonds will be paid on presentation to the treasurer on or before the second day of January, following, and that from and after such last named date all interest upon bonds thus drawn shall cease and it shall be the duty of the treasurer as soon as said bonds so drawn by lot are surrendered to him and paid to cancel the same and the interest coupons thereon, and each year beginning with the year 1914 the said treasurer shall, in the manner aforesaid, proceed to draw by lot such an amount of bonds as shall be requisite to exhaust as nearly as may be the amount in said sinking fund, and proceed in the manner hereabove stated. After the payment of all of said bonds, the surplus or balance remaining in said sinking fund, if any there be, shall forthwith be paid into the San Francisco harbor improvement fund. At the time of the respective drawings by lot as aforesaid, and also at the maturity of said state bonds, said treasurer shall sell the United States or other bonds then in said sinking fund, at governing market rates, after advertising the sale thereof in the manner hereinbefore provided for the sale of bonds hereby authorized to be issued, and shall use the proceeds for the payment of such bonds as may be drawn by lot, and at the maturity of said bonds outstanding shall pay and redeem said matured outstanding bonds out of said moneys in said fund in extinguishment of said bonds on controller's warrants duly drawn for that purpose.

Sec. 6. The state controller and the state treasurer shall keep full and particular account and record of all their proceedings under this act, and they shall transmit to the governor an abstract of all such proceedings thereunder, with an annual report, to be by the governor laid before the legislature biennially; and all books and papers pertaining to the matter provided for in this act shall at all times be open to the inspection of any party interested, or the governor, or the attorney-general, or a committee of either branch of the legislature, or a joint committee of both, or any citizen of the state.

Sec. 7. It shall be the duty of the state treasurer to pay the interest of said bonds, when the same falls due, out of the sinking fund provided for in this act, on controller's warrants duly drawn for that purpose.

Sec. 8. This act, if adopted by the people, shall take effect on the thirty-first day of December, A. D. nineteen hundred and four, as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

Sec. 9. This act shall be submitted to the people of the state of California for their ratification at the next general election, to be holden in the month of November, A. D. nineteen hundred and four; and all ballots at said election shall have printed thereon, and at the end thereof, the words "For the San Francisco Seawall Act," and in a separate line under the same the words "Against the San Francisco Seawall Act," and opposite said lines there shall be left spaces in which the voters may make or stamp a cross to indicate whether they vote for or against the said act, and those voting for said act shall do so by placing a cross opposite the words "For the San Francisco Seawall Act," and all those voting against the said act shall do so by placing a cross opposite the words "Against the San Francisco Seawall Act." The governor of this state shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

Sec. 10. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at such election, as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act, then the same shall be and become void.

Sec. 11. This act may be known and cited as the "San Francisco Seawall Act."

Sec. 12. All acts and parts of acts in conflict with the provision of this act are hereby repealed.
